Simple Solutions. Real Results.

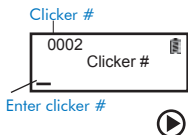

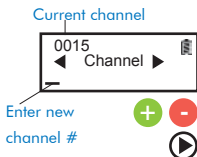

## Main Menu

- > Serial #
- > Channel #
- > Clicker #
- > Contrast
- > Diagnostic

## To Change a Channel

1. Press the arrow buttons simultaneously, and then press the + button.
2. Enter a channel #. Use the +/- buttons to select from 0 - 9 for each digit. Press the right arrow to advance to the next digit, and again to save.
3. Enter the clicker # using the same technique. Press the right arrow to save. The clicker will power down and save changes.

## FAQs

- How do I join a student? Press any key. The student is automatically joined to the class.
- How do students send an answer? Answers are sent automatically.
- How do I adjust the screen brightness?(1=low; 6=high)

 > Contrast
