

Doplň tabuľku o ďalšie extrémne podniety života, mechanizmy adaptácie na dané podniety a príklady organizmov, ktoré daný mechanizmus používajú.

Limitující faktor/ externí podmínky života	Mechanismus adaptace	Průběh (y)
vysoké teploty	maťovky, malik jóny	pomůlky
bez žitiny	malá spřeha	pomůlky
salinita	malováky, jóny. Alkalický.	černé antrakózy
malická	odolnost	širb
gambu čeraví	přetěžte	deinococcus
thk	odol. ex. v. v. v. p.	pomůlky
teplina	odolnost	deinococcus

Tabuľka 2: Mechanizmy adaptácie organizmov na extrémne podmienky života.

Zovšeobecni získané poznatky o adaptácii organizmov na extrémne podmienky života. Nakresli tabuľku (Tabuľka 3), ktorá vyjadruje rozdelenie a spoločné mechanizmy rôznych organizmov na rozličné extrémne podmienky prostredia.

Tabuľka 3:

[illegible]

Slovne zápis zber pre výskumníkov otáča (Prečo ryby v antarktických moriach nezamrznu?):

Václav vyjela, sálunik vodu a oplotenie, kt
zabírajúci hrobníky vlníť vlníť.

Korý mechanismus adopcíe, přijetíe extrémne podmiěny ču nejvíce prekvapil?

pozivka - veliki odolnost, dokazati, presjek u
vodoravne; širob - presjek od trih inidicior

Napís otázky, které stále máš:

Prečo sú niektoré potraviny indikáciou?
Prečo je demencialeto stálej uvoľnenej?

Endodontic Association
 Endodontics is a field
 that is growing rapidly.

Oral and Maxillofacial Surgeons
 Oral and maxillofacial surgery
 is a rapidly growing specialty.

Neurological Surgeons
 Neurological surgery
 is a rapidly growing specialty.

Plastic Surgeons
 Plastic surgery
 is a rapidly growing specialty.

Otolaryngologists and Head and Neck Surgeons
 Otolaryngology and head and neck surgery
 is a rapidly growing specialty.

Dermatologists
 Dermatology
 is a rapidly growing specialty.

Radiologists
 Radiology
 is a rapidly growing specialty.

Urologists
 Urology
 is a rapidly growing specialty.

Gynecologists and Obstetricians
 Gynecology and obstetrics
 is a rapidly growing specialty.

Pediatricians
 Pediatrics
 is a rapidly growing specialty.

Family Physicians
 Family medicine
 is a rapidly growing specialty.

General Internists
 General internal medicine
 is a rapidly growing specialty.

Psychiatrists
 Psychiatry
 is a rapidly growing specialty.

Geriatricians
 Geriatrics
 is a rapidly growing specialty.

Palliative Care Physicians
 Palliative care
 is a rapidly growing specialty.

Hospice Physicians
 Hospice care
 is a rapidly growing specialty.

Endodontics
 Endodontics
 is a rapidly growing specialty.
